

# ONWA<sup>®</sup>

MARINE ELECTRONICS

**KMD-210**  
Up to 10 NMEA outputs

**KMD-550**  
Up to 15 NMEA outputs

## MODEL

# KMD-210/KMD-550

## NMEA Distribution Box

- **KMD-210:** Eight RS422 outputs and Two RS232 outputs (can be configured to Ten RS232 outputs)
- **KMD-550:** Twelve RS422 outputs, three RS232 outputs and one speed closure signal (or fifteen RS232 and one speed closure signal)
- Power supply isolated
- High speed baudrate up to 38400
- Input signal isolated
- Every channel output is isolated
- Can be used as two independent NMEA distribution box
